**Milestone 7**

- Title: Net Worth
- Konlan Rondini, Nicole Costello, Dylan Sain, Zhongzhi Zhang, Liyang Ru
- Project Tracker: SmartSheet for tracking progress, assigning roles, and GANTT Chart
  - Project shared with TA on 4/30/2019 (you should have received an email from SmartSheet)

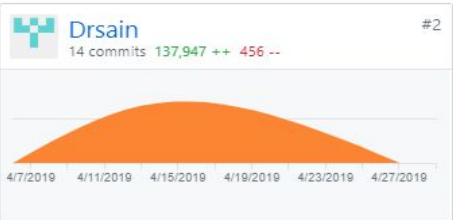

- GitHub (old): https://github.com/Drsain/Project-Code-and-Components
  - A force command was accidentally used which disconnected the master branch from the most recent one.
  - Below is the most up to date repo. Note, our project code and our milestones are in separate repos. Therefore we will have 2 "Final Submission" flags, one in each repo.
